

The background of the entire poster is a vibrant, abstract collage of colorful brushstrokes and shapes. At the top, there are large, sweeping strokes of orange, blue, and pink. Below these, there are smaller, more detailed elements like a yellow and green striped spiral, a pink circle with white dots, and a green leaf-like shape. The bottom of the poster features a dense cluster of colorful shapes, including a large purple brushstroke, a yellow circle with white dots, a green circle with white dots, and a yellow and orange striped circle. The overall style is playful and celebratory.
